Motion #1

11/10/77

In consideration for the use of facilities offered to the M.R.A.C. by the Wauwatosa S & L, I hereby move that our paid up stock in the amount of \$3000 now invested in Security S&L be withdrawn from Security S&L as soon as feasible and re-invested in Wauwatosa S & L, ~~####~~ in the amount of three (3) \$1000, four (4) year certificates. This action, because of Federal regulations will cause a small penalty, said penalty to be paid for from the Clubs general funds so we can retain the full amount of Paid-up Stock.

In making this motion, for the record and meaning no offense to any Club Member or Club Officer it should be stated that the transfer of the Clubs S&L stock made in late 1976 was illegal because it was done without the knowledge or approval of the full Board of Directors which is contrary to the By-Laws of this Corporation.
